Ms. Judy Bruch Colorado Department of Health Rocky Flats Program Unit 4210 East 11th Avenue Denver, CO 80220

Dear Ms. Bruch:

On Friday, January 17, 1992, copies of the document entitled "Draft Technical Memorandum 5, Addendum to the Final Phase III RFI/RI Work Plan, Surface Soil Sampling and Analysis Plan, Rocky Flats Plant, 881 Hillside Area (Operable Unit 1)," dated January 1992, was delivered to your respective offices. Also on January 17, Bruce Thatcher of my staff attempted to contact you to inform you of the document delivery and a meeting planned for January 28, 1992.

You, as members of the Rocky Flats Natural Resource Trustees, are being asked to review the subject document in an expedited manner. The subject document is for work to support the OU1 Phase III RFI/RI Report due as an enforceable milestone under the Interagency Agreement on July 30, 1992. In order to attempt to meet this milestone, the work must begin soon. In order to expedite approval of the soil sampling plan, we have set up a meeting with EPA and CDH and the Natural Resource Trustees on January 28, 1992 for 2:00 at the offices of PRC (EPA's subcontractor), 1099 18th Street, Suite 1960, Denver. At this meeting we will discuss the proposed soil sampling plan. We would like to have all comments by noon on Friday, January 31, 1992. Please telefax your comments to (in draft form if necessary) 966-6070, attention Dennis Smith, or as an alternate to 966-4871, attention Scott Grace.

Should you have any questions please contact Scott Grace of my staff at 966-7199 in lieu of Bruce Thatcher, the Natural Resource Trustees contact as he will be unavailable until February 10, 1992.

Sincerely.

David P. Simonson Assistant Manager
